

PROJECT AWARD OF EXCELLENCE PROGRAM OUTLINE

The Land Development Council Community Development Awards offers recognition to development professionals who provide superior and creative development projects that are sensitive to the community and make appropriate use of existing natural elements and unique challenges. Awards of Excellence will be given in categories for residential, multifamily, mixed use, public/private partnership and green development. A project of the year will also be given.

Details

- All members of MBIA are eligible to enter individuals, residential, multifamily, mixed use and NAHB Green Developments for an award.
- Land Development Council members may submit entries at a discounted rate.
- Projects that have been submitted in the past may enter again with the exception of “Project of the Year” winners.
- Awards of Excellence will be given at the discretion of the judges.
- Multi-phase projects are eligible for Awards of Excellence for individual phases, however, if the project (whole or in part) received a “Project of the Year” award, no subsequent phases will be eligible for consideration.
- The committee reserves the right to verify all information submitted for an Award of Excellence.
- The awards will be presented at the Awards of Excellence Program on November 15, 2018.

Fees

\$385 per entry for LDC Member

\$450 per entry for non LDC Members

ENTRY REQUIREMENTS – FIVE SIMPLE STEPS

1. Fill out Project Information Sheet

2. Complete a Descriptive Narrative

In your narrative, please address how your project is unique. Examples include: Sensitivity to the environment, land design and planning; sensitivity to the property’s historic nature, surrounding properties and uses, etc., service to community and neighborhood; development features that are unique to the project; development hurdles overcome. Please limit to one page or less.

2. Site Plan/Layout - please show amenities on map/plan

3. Submit high resolution photos. These photos will be used if you win.

4. Provide type and number of homes and percentage complete.
